Referral	Problem	Location of job	Allocation
DB-25-043	Modified side guards required for Invacare all-terrain wheelchair.	Derby	
DB-25-044	Bespoke ride-on equipment (such as a trike) required for child with dwarfism.	Matlock	
DB-25-045	Child with deformed left hand struggles to hold the left side handlebar and use the left side brake - modification requested.	Swadlincote	
None yet allocated	Wheelchair-bound lady with energy-limiting conditions needs to be able to elevate both legs, ideally to waist height. She possesses some elevating leg rests but these are not compatible with her particular chair. Requirement is to either adapt these existing leg risers to fit the chair, or perhaps add totally new leg risers instead.	SE Nottingham NG2 7SE
